to filling the ache inside God offers us another way In this study of the Book of Numbers we ll find a group of people that wandered in the desert for forty years unable to enter the Promised Land because of their complaining grumbling and lack of faith The New Testament tells us that their story was written to warn us 1 Corinthians 10 6 so that we would not make the same mistakes and suffer the same consequences God sent his only Son to die to buy our freedom from the sin that leads to discontentment and we find our own promised land of peace and contentment in the life he gives us By exploring Numbers we can come to identify the reasons for our complaining learn contentment while being authentic about the difficulties of life accept short term hardship in light of the greater good of God s ultimate deliverance recognize the relationship between complaining and worry and discover how to realign with God s character and promises Together we will learn contentment as we discover more of our incredible God who truly is more than enough Only God can fill that ache inside and help us focus on his provision and purpose in the midst of life s joys and pains The Leader Guide to be used along with the study s workbook and DVD contains six session plan outlines complete with discussion points and questions activities prayers and more plus leader helps for facilitating a group Other components for the Bible study available separately include a Participant Workbook DVD with six 20 25 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components

Hicks,2007-12-06 *How to Study the Bible* Watchman Nee,1999 The Bible is the inspired word of God and every believer should study it in order to know the rich and vast content of God s divine provisions When God speaks He does so through His established eord Therefore we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts In order to study the Bible we first must be proper persons having passed through the necessary spiritual training under the Lord s leading and guiding We must also use the right methods Many good books have been printed on how to study the Bible but most pay attention only to methods of studying the Bible They do not pay enough attention to the person who studies the Bible Even with the right methods we can receive very little in our study of the Bible if Our person is not proper before the Lord *Stromateis, Books 1-3 (The Fathers of the Church, Volume 85)* Clement of Alexandria,2010-04 Books One to Three of the Stromateis establish Clement s fundamental theology a harmony of faith and knowledge that places Greek philosophy at the service of faith which is to Clement more important than knowledge **The Testaments of the Twelve Patriarchs** R. H. Charles,Rev. W. O. E. Oesterley,2018-09-13 An excerpt from the INTRODUCTION General Character of the Book The book purports to give the last words at the approach of death of each of the twelve patriarchs to his sons It is evident that the general idea of the book is based upon Jacob s last words to his sons as recorded in Gen xlix 1 27 Just as Jacob portrays the character of his sons and declares to them what shall befall them so in our book each of the patriarchs is represented as describing in some sense his own character and as foretelling what shall come to pass among his posterity in the last times From this latter point of view the book partakes of the character of a prophetic apocalyptic work In six of the testaments those of Reuben Simeon Judah Dan Naphthali and Joseph there is a certain correspondence between our book and Gen xlix regarding the characters of the

patriarchs as for the remaining six patriarchs no such correspondence exists **Holy Bible (NIV)** Various Authors,2008-09-02 The NIV is the world's best selling modern translation with over 150 million copies in print since its first full publication in 1978 This highly accurate and smooth reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation **Theomatics** Jerry Lucas,Del Washburn,1977 Asserts that a mathematical design within the Bible in the original Hebrew and Greek provides proof that God did in fact write every word of the Old and New Testaments
