

EXAMPLE PROGRAM FOR EMCEE

“Honor a Veteran”

Welcome

The emcee needs to begin the program by welcoming everyone and asking everyone to “please rise for the Presentation of Colors and National Anthem.”

Presentation of Colors

As soon as the Colors are in posted, and the Honor Guard are at attention, the National Anthem should begin.

“The Star Spangled Banner”

Following the National Anthem the emcee asks everyone to be seated and thanks the Honor Guard and the band.

Pledge of Alligence

Lead by the emcee

Music - (“Name of song”)

If there is music the emcee will introduce the group and the director performing. Following the conclusion of the music, the students in the band and/or vocal group can be dismissed.

Thank you to the band/vocal group and their director.

Message from President

Introduce the individual who is going to read the Presidents Veterans Day message.

A thank you should be extended to the individual who read the President’s message.

Introduce the students who will be reading the history of Veterans Day.

“Veterans Day – How it Began”

Thank you to the students who read the history of Veterans Day.

Listening for Africa David F. Garcia, 2017-07-27 In *Listening for Africa* David F Garcia explores how a diverse group of musicians dancers academics and activists engaged with the idea of black music and dance s African origins between the 1930s and 1950s Garcia examines the work of figures ranging from Melville J Herskovits Katherine Dunham and Asadata Dafora to Duke Ellington D maso P rez Prado and others who believed that linking black music and dance with Africa and nature would help realize modernity s promises of freedom in the face of fascism and racism in Europe and the Americas colonialism in Africa and the nuclear threat at the start of the Cold War In analyzing their work Garcia traces how such attempts to link black music and dance to Africa unintentionally reinforced the binary relationships between the West and Africa white and black the modern and the primitive science and magic and rural and urban It was Garcia demonstrates modernity s determinations of unraced heteronormative and productive bodies and of scientific truth that helped defer the realization of individual and political freedom in the world

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer a professor shares the lessons he s learned about living in the present building a legacy and taking full advantage of the time you have in this life changing classic We cannot change the cards we are dealt just how we play the hand Randy Pausch A lot of professors give talks titled The Last Lecture Professors are asked to consider their demise and to ruminate on what matters most to them And while they speak audiences can t help but mull over the same question What wisdom would we impart to the world if we knew it was our last chance If we had to vanish tomorrow what would we want as our legacy When Randy Pausch a computer science professor at Carnegie Mellon was asked to give such a lecture he didn t have to imagine it as his last since he had recently been diagnosed with terminal cancer But the lecture he gave Really Achieving Your Childhood Dreams wasn t about dying It was about the importance of overcoming obstacles of enabling the dreams of others of seizing every moment because time is all you have and you may find one day that you have less than you think It was a summation of everything Randy had come to believe It was about living In this book Randy Pausch has combined the humor inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form It is a book that will be shared for generations to come

How to Be a Great M. C. Alex Mair, 1999-07

Super-competent Speaking Laura Stack, 2013 Shortly after the publication of my book SuperCompetent The Six Keys to Perform at Your

Productive Best when I was the incoming 2011 2012 President of the National Speakers Association Lorri Freifeld from Training magazine asked me to write a monthly column on speaking I was allowed great latitude on the subject matter as long as it pertained to professional speaking at some level and the articles were meaty and pithy Since that time I ve ranged far and wide across the subject covering everything from how to dress to how to break the ice deal with hecklers retain the audience s attention and use stories to enhance individual talks I ve discussed the differences between keynotes and workshops cautioned readers about presentation pitfalls and explained how to either cut or stretch a speech to meet your customer s needs I try to provide straightforward pointers in a lively concise and educational style I ve collected those topics here in one place for the first time I believe you ll find the following eBook which includes 27 of my collected columns to be insightful and motivational whether you re just starting out or you ve stepped onto the stage a thousand times I re emphasize several central themes throughout which I m sure you ll recognize as integral to the speaking profession You ll also find plenty of brand new nuggets of wisdom to cherish I ve included plenty of what of you might consider common sense but at our breakneck modern pace it s sometimes hard to keep everything in mind at once so I think these things are worth repeating These pointers and reminders can serve as checklists as you research and develop your own speaking masterpieces Even better these ideas might spark a few of your own as you move forward in the challenging yet uniquely exciting world of professional speaking I ve been in the business for 20 years now and it never gets old In this field there s always something new to learn So in this spirit I present to you my first collection of SuperCompetent Speaking columns
