**Zoo Story** Thomas French,2010-07-06 This story, told by a master teller of such things, does more than take you inside the cages, fences, and walls of a zoo. It takes you inside the human heart, and an elephant's, and a primate's, and on and on. Tom French did in this book what he always does. He took real life and wrote it down for us, with eloquence and feeling and aching detail. -Rick Bragg, Pulitzer Prize-winning journalist and bestselling author An insightful and detailed look at the complex life of a zoo and its denizens, both animal and human. -Yann Martel, author of Life of Pi and Beatrice and Virgil Welcome to the savage and surprising world of Zoo Story, an unprecedented account of the secret life of a zoo and its inhabitants. Based on six years of research, the book follows a handful of unforgettable characters at Tampa's Lowry Park Zoo: an alpha chimp with a weakness for blondes, a ferocious tiger who revels in Obsession perfume, and a brilliant but tyrannical CEO known as El Diablo Blanco. The sweeping narrative takes the reader from the African savannah to the forests of Panama and deep into the inner workings of a place some describe as a sanctuary and others condemn as a prison. Zoo Story shows us how these remarkable individuals live, how some die, and what their experiences reveal about the human desire to both exalt and control nature.

The outcome of the meeting is a willing death for one of them.--backcover.

she finds that the crossing guard is a giant tortoise and her teacher is a python! What's going on? In a hilarious twist, the narrator realizes all the grown-ups are at the zoo. Engaging rhyme and silly illustrations will delight readers as they learn to ask questions and find the answers.

Edward Albee's At Home at the Zoo Edward Albee,2008 When you emerge from this impish comic playwright's glittering tribute to Molière, written entirely in verse, your head will be so dizzy with syncopated rhyme that you'll almost expect to find yourself speaking and thinking in chiming couplets...[Ives] add The truism that families come in all shapes and sizes is illuminated with haunting beauty...in this exquisitely wrought comedy-drama...a piercing portrait of the contemporary social architecture, in which the distance between people can be widened or collapses
