The 72 Names Of God:

The 72 Names of God for Kids Yehuda Berg,2006 Explains to young readers how the three letters of each of the Kabbalah's seventy two names for God can be used to teach such important spiritual lessons as how to get rid of negative thoughts and anger how to share with others and how to feel safe

The 72 Angels of the Name Baal Kadmon,2015-08-16 In this book we will discuss how to communicate with the 72 angels that are associated with the 72 names of God in volume 1 of this series We will not be using any fancy and complicated rituals With all due respect to those who plan elaborate rituals the rituals end up being more of a distraction The angels do not require certain hours of day or night or certain colors or garb They are not human that they require such trivialities Do you think an angel with a limitless mind requires such limited and minute actions to get its attention I know this may completely contradict what you have heard but logically this is so If you are looking for elaborate rituals you will be disappointed in this book This book is for people who want a direct connection Not those who wish to mire themselves in complexity that in actuality is contrived We know where many of those rituals in all those Grimores come from and I assure you the complexities are formalities only and not necessary for deep connection with these angels With that In this book we will go into the significance of the 72 names of God and then proceed to the names of the angels And finally how to call upon them to help you

The 72 Names of God Seila Orienta,2018-05-10 The seventy two passages pertain to pure Divine ideas which and creation Although they are more abstract in nature much knowledge about the nature of God's creatures and creations for the student of theory An advanced theurgist will find in these passages more than theoretic knowledge Such a student will also know about the dangers that arise resulting from wrong practice Fortunately the mysteries protect themselves

The 72 Names of God Yehudah Berg,2003 The power of The 72 Names of God operates strictly on a soul level not a physical one It's about spirituality not religiosity Instead of being limited by the differences that divide people the wisdom of the Names transcends humanity's age old quarrels and belief systems to deal with one common bond that unifies all people and nations as one the human soul
